Johnnette Williams is the Founder and President of Women of Grace, a Catholic apostolate for women featuring outreaches including conferences, media, study groups and more. She is also Founder and President of Living His Life Abundantly® International, Inc. After years of being a non-practicing Catholic, in 1981 Johnnette experienced a deep conversion back to her Catholic faith. Her conversion sparked a new vocation: that is, one of sharing the Gospel message through the utilization of media. She has been an inspiring and consistent presence on EWTN radio and EWTN television ever since. In addition, Johnnette is a popular conference speaker, published author, retreat director, and seminar presenter.

Jack Williams is the General Manager of EWTN Radio. After a radical conversion in 1981, Jack traveled college campuses in the United States and Australia as part of a charismatic, evangelical campus outreach. He later spent a decade providing sports talk radio programming and live high school sports coverage in the Des Moines, IA market. After entering the Catholic Church in 2002, Jack began doing an hourlong Catholic program every weekday on a local evangelical radio station. After spending time at the local EWTN radio affiliate in Birmingham, AL, Jack joined EWTN in 2014. Jack can be heard Monday through Friday at 3 pm ET on EWTN Open.
